

Demilitarization / Reclamation

The M&T Company provides demilitarization / reclamation support services to military customers to properly dispose or reclaim serviceable or unserviceable equipment that is declared in excess by an Inventory Control Point. Our efforts are targeted to the implements of war and other military equipment excluding arms and ammunition.

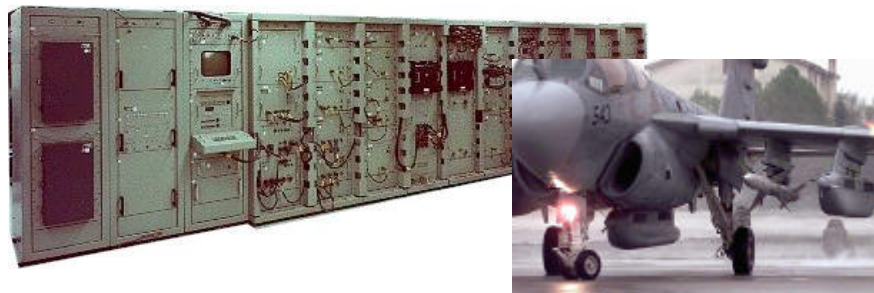

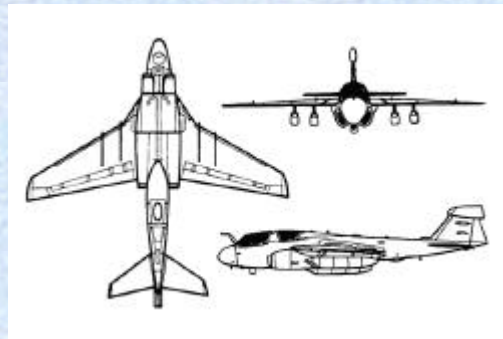

“Helping our customers protect the national interest”

Demilitarization

Our demilitarization efforts are planned to prevent the equipment’s unauthorized use, the destruction of any type of military advantage, and the safe use / disposal of hazardous materials. An overview of our service is shown as follows:

Demilitarization Tasks

- ◆ Demilitarization Plan Preparation
- ◆ Special Handling Determination
 - For Hazardous Material
 - For Classified Material
 - For Precious Metals
- ◆ Equipment Processed via Demilitarization standards
- ◆ DD1348 Preparation
- ◆ Equipment Transport to Defense Reutilization & Marketing Office for Disposal

Demilitarizing the Weapon System

Demilitarization Process

EA – 6B Aircraft Wing Disassembly, Salvage / Scrap & Shipping

Reclamation

Our reclamation efforts are intended to reduce the cost of equipment ownership by refurbishing old equipment for reintroduction into service use. An overview of our services in this area is shown as follows:

Reclamation Tasks

- ◆ Reclamation Plan Preparation
- ◆ Special Handling Determination
 - Hazardous Material
 - Classified Material
 - Precious Metals
- ◆ Refurbish Equipment via Parts Substitution / Reverse Engineering
- ◆ Drawing Preparation / Revisions
- ◆ First Article Testing / Acceptance Testing
- ◆ Equipment Transport / Fielding
